

Highlands School Newsletter

14 November 2025

Dear parents and carers,

This week was a busy one at Highlands. On Tuesday we marked Remembrance Day by observing a two minute silence across the school. On Wednesday we held our sixth form open evening; we had record numbers of families come to school to learn about our sixth form, which has gone from strength to strength over the last few years. We look forward to receiving applications from our year 11 students and other year 11s from across our part of north London. Today we had a practice lock down; it is important that staff and students know what to do in the event that a threat is identified and we need to lock down the school. The practice went well and students engaged with it with great maturity. Next week the events continue to come thick and fast with our bake sale to raise money for those who have suffered because of the hurricane in Jamaica, year 13 parents' evening and then the Enfield High Achiever's Evening which Highlands is hosting for the second year running.

I was also delighted to see our brand new floodlights be installed and tested over the past week, we will be officially turning them on for the first time in one of our upcoming sports fixtures. Members of the community can hire the astro in the evenings now, so please pass on the details to anyone who might be interested in the use of this sports space in the winter months in the evening. Full contact details of our lettings company can be found on page 2 of this newsletter.

Mr McInerney, Headteacher.

Trip to the University of Oxford

At Highlands sixth form, we have high aspirations for all students and to inspire our current Y12s I took ten students to St Peter's College at the University of Oxford. Throughout the morning we heard from four current students about life at the university and had a masterclass on the applications process including learning how to structure personal statements, plan for admissions exams and what to expect at interviews. After a tour of the college grounds we were treated to a wonderfully generous lunch in a typically opulent Oxford hall. In the afternoon we were given talks on neuroscience and the mathematics of biodiversity from senior fellows at the college.

This was a great opportunity for our students to experience small group tutorials and interact with experts in the field, something students at Oxford have on a daily basis. I hope that this experience has inspired our students to apply to universities like Oxford and look forward to helping them, and others, with their applications next year.

Mr Tuton

Sixth Form Open Evening

Thank you to everyone who joined us for our Sixth Form Open Evening this week! It was fantastic to see so many families and students exploring our classrooms, meeting our staff, and experiencing the vibrant atmosphere that makes Highlands Sixth Form such a special place to study.

We hope you enjoyed the evening as much as we did and look forward to welcoming our next cohort of students in September 2026.

Catleaps Gymnastic Invitational champion!

Year 9 student Sibora Myftari competed in the Catleaps Gymnastics Invitational, an event bringing together talented gymnasts from across Enfield and beyond. Sibora delivered an outstanding performance, winning first place overall and earning two additional trophies for achieving the highest vault score and highest floor score in her category.

Go Sibora, we are so proud of you.

Year 10 & 11 boys basketball

On Monday 10th November, the year 10 & 11 boys' basketball team played their first league game of the season against Latymer. After a fast start which saw Highlands race into a 10-2 lead after two minutes, the speed of scoring slowed down which allowed Latymer back into the game. After four quarters the final score ended Highlands 24-51 Latymer.

This was the teams first ever game together so they should be proud of themselves.

Player of the match: Caleb Kintu-Miller

A huge thank you to Centrol Office Supplies for generously sponsoring our new Highlands basketball kit - your support is greatly appreciated!

Year 10 - The Great Debate

Year 10 students tackled a thoughtful and timely debate this week: “This House believes that assisted dying should be legalised.” They drew on real parliamentary developments, including the Assisted Dying Bill’s recent progress through the Commons and Lords, and discussed key updates such as replacing a High Court judge with a multidisciplinary team and increasing domestic-abuse training for doctors.

After hearing strong arguments from both sides, students voted 131 in favour and 88 against showing mature engagement with a challenging national topic.

Getting ready for the Deaflympics!

Our deaf students enjoyed a brilliant session with Mr Costi this week, creating vibrant posters to celebrate the upcoming Deaflympics. It was the perfect moment to shine a light on this incredible international event, where deaf athletes from around the world compete at the highest level. The activities not only helped raise awareness but also gave our students a chance to showcase their creativity - and their posters look absolutely fantastic. For more information of the Deaflympics visit www.deaflympics.com

Year 12 student impresses at Transport for London work experience

This half term, year 12 student Rhys had the incredible opportunity to complete a week-long work experience placement with Transport for London (TfL), gaining hands-on exposure to a range of engineering projects across the network.

**TRANSPORT
FOR LONDON**

Rhys impressed everyone he met with his pre-existing knowledge of TfL's past and present rolling stock and his genuine enthusiasm for the transport network. During the week, he visited key projects including the Central Line Improvement Project in Acton, the Beckton DLR Control Room, Beckton Depot Expansion, and the new Piccadilly Line Upgrade train simulators.

On his final day, Rhys presented a summary of the week's activities to a team of over 10 TfL staff. He delivered his presentation confidently, maintaining excellent eye contact and speaking at a clear, professional pace, a skill not easy for everyone, and one he handled exceptionally well.

Rhys's dedication, professionalism, and eagerness to learn have been widely praised by his placement hosts. He is a fantastic example of how our students can engage with real-world opportunities and make the most of them. Congratulations, Rhys!

School show theatre awards

We are delighted to announce that the school show we performed at the Millfield Theatre in June 2025, Chicago Teen Edition, is being nominated for the National School Theatre Awards. The National School Theatre Awards mimic the National Theatre awards but are solely for productions performed by either secondary school groups or performances from theatre schools.

This is an incredible achievement and the students who performed so fantastically and professionally in that show should be very proud of themselves.

We are awaiting further details about the nominations and awards and we will not know the final outcomes until 22nd June 2026 - but it is something to look forward to and the whole school community is very proud.

School announcements

Lost property

Please click [here](#) for a list of lost property received since the start of term. If your child has lost anything listed, or any other item, please ask them to check with the school office, as things arrive daily. All items being claimed will need to be identified by the student. Please can we also remind parents/carers to label all uniform and belongings so we can get items back to students as quickly as possible.

Notifying the school of student appointments

If your child has an appointment scheduled during school hours, please ensure you notify us promptly by emailing postbox@highlearn.uk or by phoning us on the day of the appointment.

Your notification must include the date of the appointment and the exact time the student needs to leave school. Where possible, please also attach or provide proof of the appointment to the email.

To ensure your child is released smoothly from their lesson, please write a clear note on the appropriate day of your child's student planner, indicating the time they need to leave class. Students must show this planner note to their teacher to be excused from the lesson. They will then proceed to the school reception to officially sign out before being released to meet you at your pre-arranged location.

Many thanks for your cooperation with this.

Bake Sale for Hurricane Melissa

In response to the devastating impact of *Hurricane Melissa across Jamaica and the Caribbean*, Highlands School will be holding a Bake Sale on Tuesday 18th November, to raise funds in support of those affected by this disaster.

We are calling on our students and staff to take action by bringing in baked goods to sell and by purchasing treats on the day. Every contribution - big or small - will help provide vital aid, shelter, and support to communities recovering from this tragedy.

This is a fantastic opportunity for the houses to join together as a community to raise money and to showcase their baking skills. All students who contribute to the bake sale will receive 5 achievement points and additional house points will be awarded to their house for the money raised.

I am writing to parents and carers so that they can encourage and support their children to contribute to the bake sale. We are asking students to bring in baked foods and sweet treats such as cakes, biscuits, cookies or savoury items. These can be homemade or shop bought but must be free from nuts, sesame and gelatine. We would also welcome contributions of cakes and *biscuits that are gluten free and/or vegan/plant based*. Please label your treats with what they are, including your child's name and tutor group, to enable us to give them their house points.

All items should be brought to the drop-off point in reception before 8.40am on Tuesday 18th November and must have your child's name on the container or bag. *If you wish to have your containers back please ask your child to come to reception at the end of the day to collect them.*

Please can all students who wish to participate complete the form below.

Thank you for your support and I look forward to seeing all the wonderful baking and contributions and for hopefully raising an even bigger amount than last year. [Link](#) - form to donate

Highlands School Alumni

As a school, we want to reconnect with our former students so that we can keep in touch and let them know about volunteering opportunities that will benefit our current students. We want to show them the variety of pathways available to them after leaving Highlands School, and who better to showcase this information, than former students!

We are working with education charity Future First to set this up, and all you need to do to get involved is sign up here: [Highlands School Alumni](https://www.futurefirsthub.org.uk) or alternatively scan the QR code below.

Mental health

We are continuously working hard to improve our understanding as a community of mental health, to enable us to provide the best possible outcomes for the young people in our lives. If you are ever concerned that your child is at risk due to very poor mental health please inform the school. You can also contact one of these numbers to seek support from a specialist. The Crisis line is there to offer guidance if your child may be having suicidal thoughts and is possibly in immediate danger. If you do ever find yourself in a position where you need to use these resources for your child, please make the school aware so we can provide appropriate support within school for your child.
